We are a group of small sea animals that build large structures called reefs.

We are coral

I am a plant that grows in the ocean and looks like long ribbons or leaves floating in water.

I am seaweed

I am a mythical creature that has the upper body of a human and the tail of a fish.

I am a mermaid

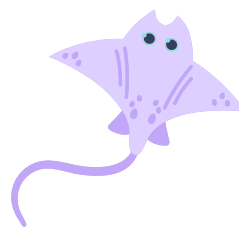

I am a sea creature with a soft, jelly-like body and long, stinging tentacles that hang down.

I am a jellyfish

We are a large group of fish that swim together and move in the same direction.

We are a school

I am a large, flat creature with a wide body and triangle-shaped wings.

I am a manta ray

I am a sea creature that has a central body and five arms that spread out like a star.

I am a starfish

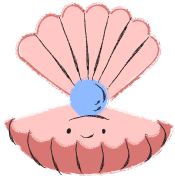

I live inside two, hard hinged shells that protect my body. You find me buried in the sand.

I am a clam
